Constitutional and Statutory Provisions:

State Board Rule:

By joint agreement between the State Board of Education and the South Carolina Educational Television Commission, the State Department of Education shall be responsible for the development, acquisition, scheduling, and utilization of television and radio resources to be used in the public schools by students, teachers, and adults. The South Carolina ETV Network provides allocations of budget, personnel, and services to achieve the approved program objectives administered by the Department. Such support includes the production of television and radio programs, expansion of the ETV Network, printing, public information and publications, and the delivery system of ETV services which relate to the public school program in South Carolina. In order to assure that all programs provided through the educational television and radio network are in keeping with desired instruction to be offered in the public schools, the State Board of Education shall review and approve annually the Department's recommendations for television and radio resources to be made available to the public schools via the ETV Network.
